Attn: Col. [REDACTED]

Secretary, Interagency Defector Committee

Psychological Inducement of Defection

REFERENCE : Your Memorandum, 3 June 1952, Subject as Above.

Transmitted herewith are my comments to referenced paper in the form of background information on the Defector Program and on present psychological warfare activity aimed at inducing defection. It is hoped that you will find them useful in any discussions you may have in the field on the psychological aspect of defector inducement.
